ABOUT THE SPEAKERS

Jack Kessinger, DC, ND, DABCI

Dr. Jack Kessinger has been in private practice since 1964. Early in his professional career, he developed a special interest in *total health care*, emphasizing treatment & prevention of degenerative disease. He continues to operate a multi-discipline/alternative-care clinic in Rolla.

Dr. Kessinger has authored numerous articles published in professional journals on the effectiveness of natural health care. He has lectured throughout the United States, in addition to providing post-graduate seminars for Texas Chiropractic College, Logan College of Chiropractic, and the National University of Health Sciences.

Dr. Kessinger is past-president of American Chiropractic Association's Council on Diagnosis & Internal Disorders (ACA CDID), past-president of the Missouri State Chiropractic Assn., a member of ACA Council on Diagnostic Imaging, Council of Nutrition, Council on Diagnosis and Internal Disorders. He also holds membership in each of the following: American Preventive Medical Association and American Naturopathic Medical Association. He is the Missouri delegate for the ACA.

Dr. Kessinger serves as Editor-in-Chief for *The Original Internist* and regularly produces informative editorial and scientific articles. He hosts a weekly radio program titled *A Healthy Concept*.

Wayne L. Sodano, DC DABCI

Dr. Wayne Sodano has practiced in Maryland since 1985 and has been a Harford County resident since 1987. He co-founded Functional Medicine Health Services, LLC (formerly Bel Air Health & Wellness) in 2002. Dr. Sodano is a Diplomate of the American Board of Chiropractic Internists and is active in CE through The Institute for Functional Medicine and Functional Medicine University programs. He is a graduate of Texas Chiropractic College and earned his BA through Rutgers University with postgraduate courses at Logan College and Towson University.

Dr. Sodano is an advocate of patient education and contributes to public awareness of natural health care by offering workshops on various health topics and lecturing at Harford Community College. Dr. Sodano has served the professional communities of The Baltimore Psychological Association, The Archdiocese of Baltimore Physical Education Department, and the Harford County chapter of C.H.A.D.D. on the functional medicine approach to Neurotransmitters, Nutrition, and Diet & Exercise for Children, Fibromyalgia, and Hormonal and Endocrine Disorders. He has served as a contributing writer for the Women's 'T' Magazine and may be heard on local radio programs spotlighting the value of nutrition, exercise, and the use of pharmaceutical grade supplements, herbal therapies, and nutraceuticals.

Dr. Sodano has volunteered his services to The Gilchrist Hospice Center of Baltimore and the Maryland Tae Kwon Do Association as acting physician. He is an active member of the Council on Diagnosis and Internal Disorders and the American Chiropractic Association.
